

Discussion points 17:15 – 17:45

- What are the best initiatives to put community money into?
 - Short course modules that have ECTS accreditation?
 - Full MSc courses?
- What are the problems that must be solved for multi-institution and multi-national sharing of E&T resources?
- Proposals from the floor for new collaborative initiatives
- How can the Forum help?

The report to the MELODI Workshop (Friday 9:30-9:50)

Suggested contents:

- Summary of the introductory/background presentation
- Summary of discussion on funding
 - Recommendations to MELODI
 - Recommendations for other relationships
 - Other issues?
- Summary of discussion on proposed collaborative initiatives
- Summary on whether we think the Forum is the most appropriate means of supporting E&T for low-dose research
