MELODI is continuously developing its activities and interaction with the scientific community. Annual workshops are an important part of this.

I wish the programme of the future MELODI workshops would include

- | | |
|---|-------|
| 1. More science and plenary presentations | 20,6% |
| 2. More time for discussion | 20,6% |
| 3. More break-out sessions or other smaller parallel groups | 19,1% |
| 4. Actual planning for implementation of the SRA (roadmap for research) | 19,1% |
| 5. I'm happy with the current format | 20,6% |
