

Kick-off meeting EJP WG

Radiation Protection

Meeting conclusions

28 March 2014, 16:30 – 19:00 hrs
SCK•CEN registered office
Brussels, Belgium

Conclusions

1. All actions towards the EJP should be open to all the MoU partners, and dates of meetings should be decided in consultation from now onwards.
2. Consensus to start up a sub working group on the scientific work programme of the EJP (**EJP-WG-SCI**)
 - a. The EJP-WG-SCI should set up a detailed working programme for the first year.
 - b. The EJP-WG-SCI should also draw a programme for the entire project duration (5 years).
3. Agreement to start up a sub working group to prepare for the structuration of the EJP instrument (**EJP-WG-STRU**). Questions to be solved:
 - a. Call for extra meeting dates.
 - b. How should this WG work
 - c. What needs to be done on national level
 - d. Each member can ask open questions, to be answered by the EJP-WG STRU.

Action to be taken: to prepare a document on 3b and 3c

4. Analysing the history of the funding from FP4-FP7: distribution of EC funding over topics related to MoU partners and types of research institutes funded.
5. Next meeting dates: 23/4 (Brussels Airport meeting centre), 26/5 (Brussels Airport meeting centre), 23/6 Geneva (TBD).
