Creation of the MELODI Association with 15 Founding Members

Multidisciplinary European Low Dose Initiative

The MELODI Association will continue to create a forum for dialogue with EU institutions and stakeholders

- MELODI will seek the views of stakeholders on the priorities for research, keep them informed on progress made, and contribute to the dissemination of knowledge.
- MELODI will propose R&T priorities for Europe in its field of competence > EUROPE 2020 Strategy.
- MELODI will interface with international partners (WHO, IAEA, USA, Japan,...)
